

Baloo enjoying all the love from his birthday party.

Happy 22nd Birthday, Baloo!

Happy 22nd birthday to our incredible Baloo, the bear who defied all odds!

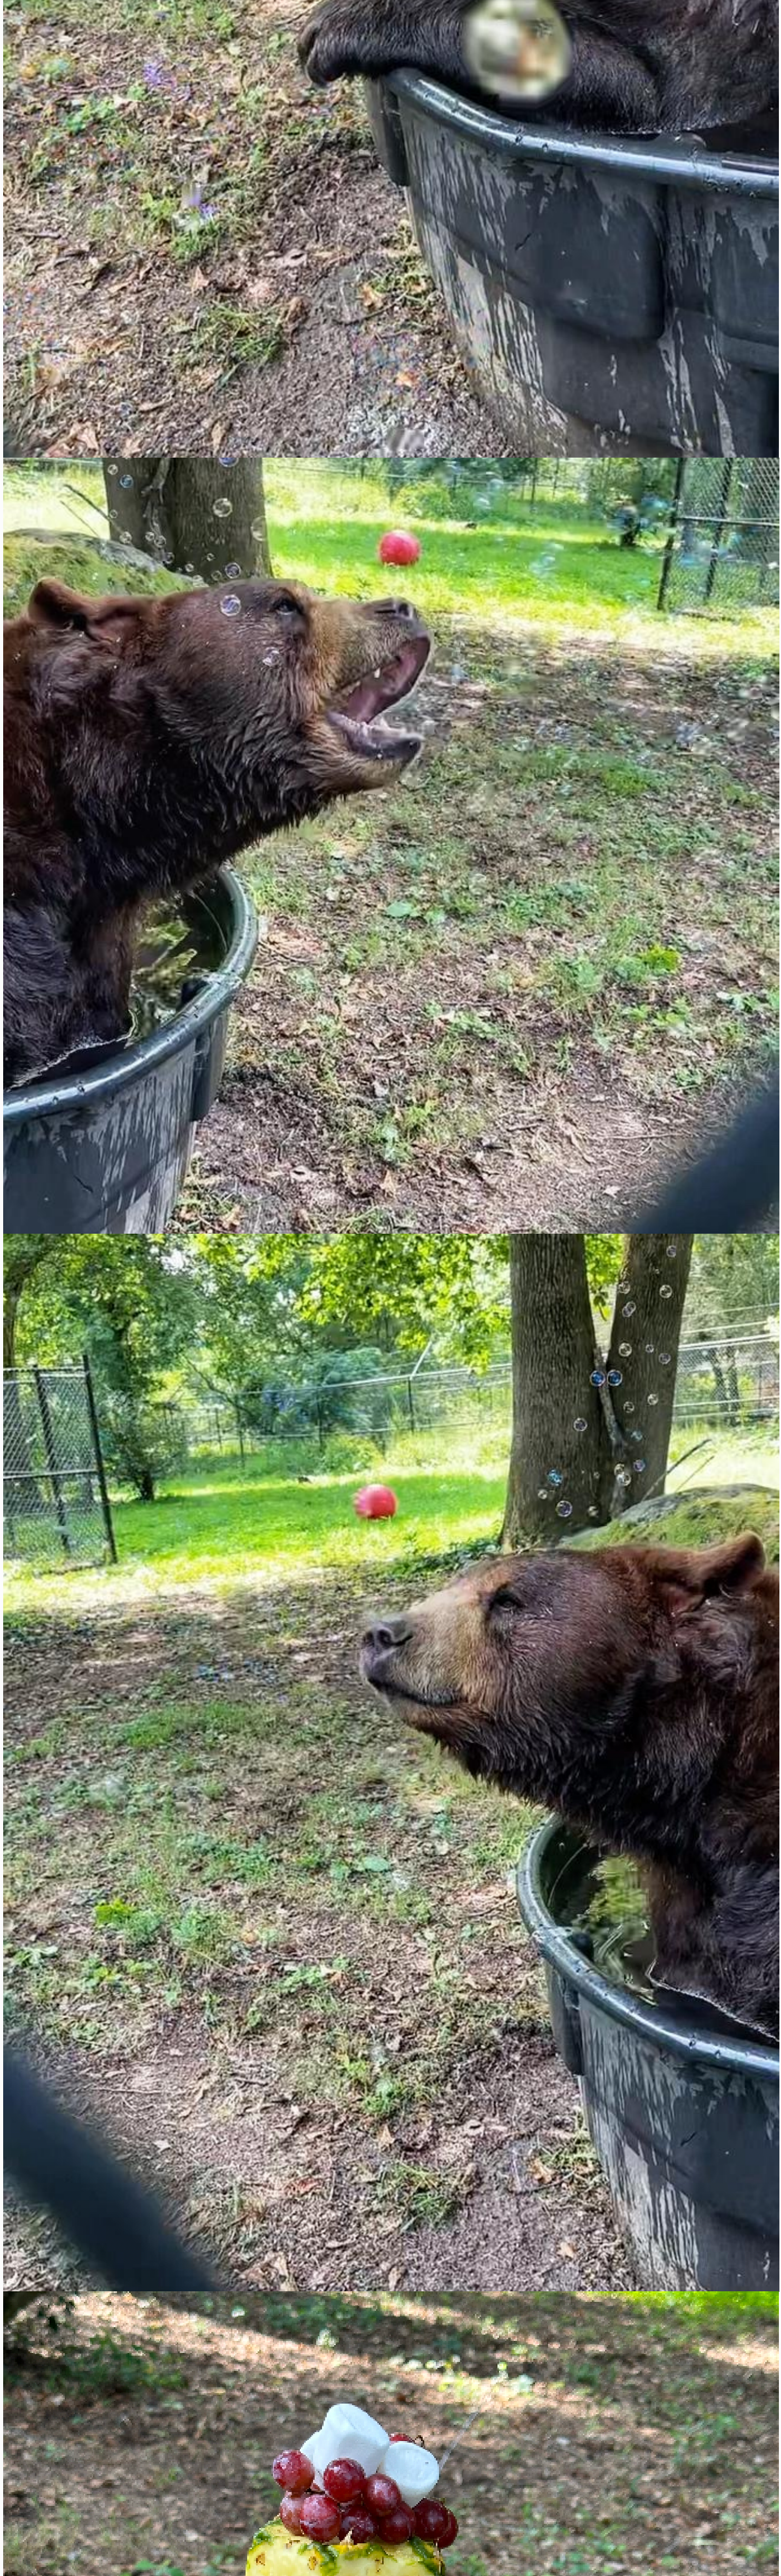

Join us in celebrating this remarkable day for our beloved Baloo, the majestic black bear who found his way into our hearts during a courageous rescue back in 2001. From that moment, Baloo has been an inspiration, reminding us of the incredible resilience and capacity for love that exists in all creatures.

To mark this special occasion, we went all out to make Baloo's day unforgettable! He indulged in the joy of edible bubbles, gracefully popped them with his snout. He also devoured a scrumptious watermelon cake fit for a bear of his stature, savoring every juicy bite. And to top it all off, we presented Baloo with a massive tub, where he gleefully splashed and played, spreading pure happiness all around!

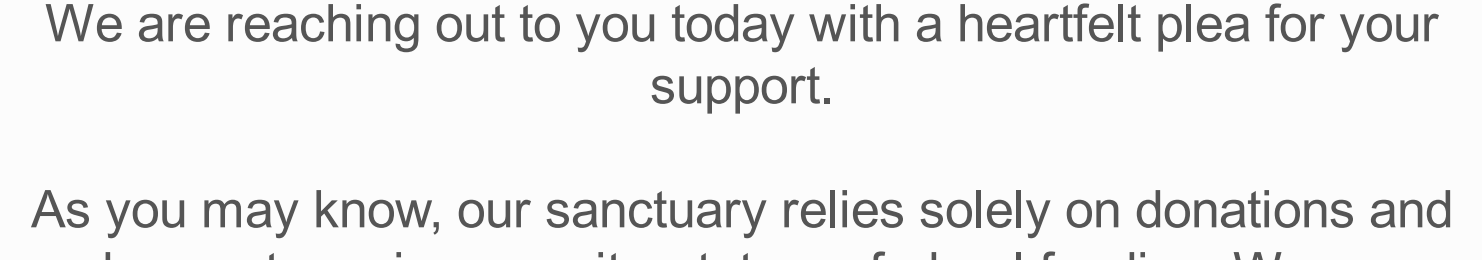

Here is a [video](#) of our angel enjoying his cool bath and trying to catch all the edible bubbles.

Baloo, you are a symbol of hope and resilience, reminding us of the importance of compassion and dedication in making this world a better place for animals in need. Thank you for being a part of our family and inspiring us every day!

Here's to another year filled with love, laughter, and adventures for our extraordinary bobble-loving bear Baloo. Thank you for bringing so much joy to the world. Happy birthday, dear Baloo!

Special Thank You to @LilyJunePaints for sharing these super adorable digital images of our beloved birthday boy.

We are reaching out to you today with a heartfelt plea for your support.

As you may know, our sanctuary relies solely on donations and does not receive any city, state, or federal funding. We are facing significant financial challenges as we continue to recover from the damages caused by the tornado and flood earlier this year.

In addition to the ongoing repairs, we have monthly care expenses exceeding \$40,000. These funds are crucial to ensure that all our beloved animal residents receive the exceptional care they deserve. From providing nutritious meals and medical treatments to maintaining their habitats, every aspect of their well-being depends on the generosity of our community.

We are excited to share that we are gradually reopening our doors for small group tours, allowing visitors to experience the beauty and wonder of Noah's Ark once again.

However, we still have work to do to ensure the grounds are safe for public access. Your donations will help us restore and improve the facilities, making them welcoming and secure for everyone.

Today, we ask you to consider making a donation in honor of Baloo, one of our incredible black bears.

Your support will not only help us provide essential care but also aid in rebuilding and restoring the sanctuary to its former glory.

Whether it's a one-time donation or a recurring monthly gift, every dollar makes a difference. Together, we can create a brighter future for our furry, feathered, and scaly friends. Your generosity will enable us to continue our vital mission of providing a safe haven for these beautiful creatures.

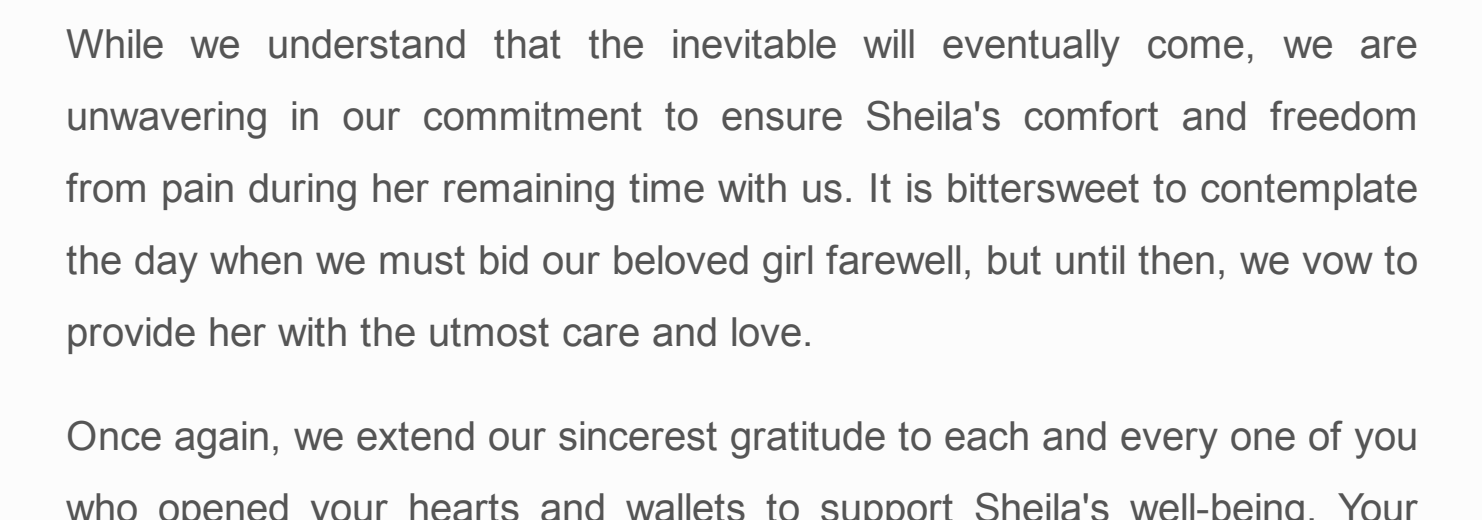

Your support ensures that Noah's Ark remains a place of love, compassion, and protection for animals in need. Thank you from the depths of our hearts for being a part of our journey and for standing by our side during these challenging times.

Together, we can make a lasting impact and create a better world for all.

Support Noah's Ark

Update on Sheila

Sheila coming out to say hello to our staff.

To all our compassionate supporters who generously donated to Sheila's procedure:

We cannot express enough gratitude for your incredible support and kindness during this challenging time. Your contributions have made a profound difference in Sheila's life, allowing us to provide her with a thorough check-up, essential blood tests, and other necessary diagnostic procedures.

Regrettably, the results have shown that Sheila's kidneys are struggling to fulfill their vital role, as is often the case with aging creatures, including humans. However, please know that we are closely monitoring Sheila's condition, with regular check-ups conducted by our dedicated exotic veterinarian.

We are determined to ensure Sheila's well-being, and your support has played a significant role in making this possible. The donated misting fans, courtesy of our incredible [Amazon Wishlist](#) Angels, have brought immense comfort to our dear Sheila. We have witnessed positive effects from these thoughtful contributions and are grateful for the relief they have provided.

Sheila, our extraordinary and strong-willed tiger, continues to bless us with her presence. Despite her age, she ventures out in the cool mornings to greet our staff, offering her heartfelt chuffs of affection. Each moment spent with Sheila is a precious gift, and we cherish the bond we share.

While we understand that the inevitable will eventually come, we are unwavering in our commitment to ensure Sheila's comfort and freedom from pain during her remaining time with us. It is bittersweet to contemplate the day when we must bid our beloved girl farewell, but until then, we vow to provide her with the utmost care and love.

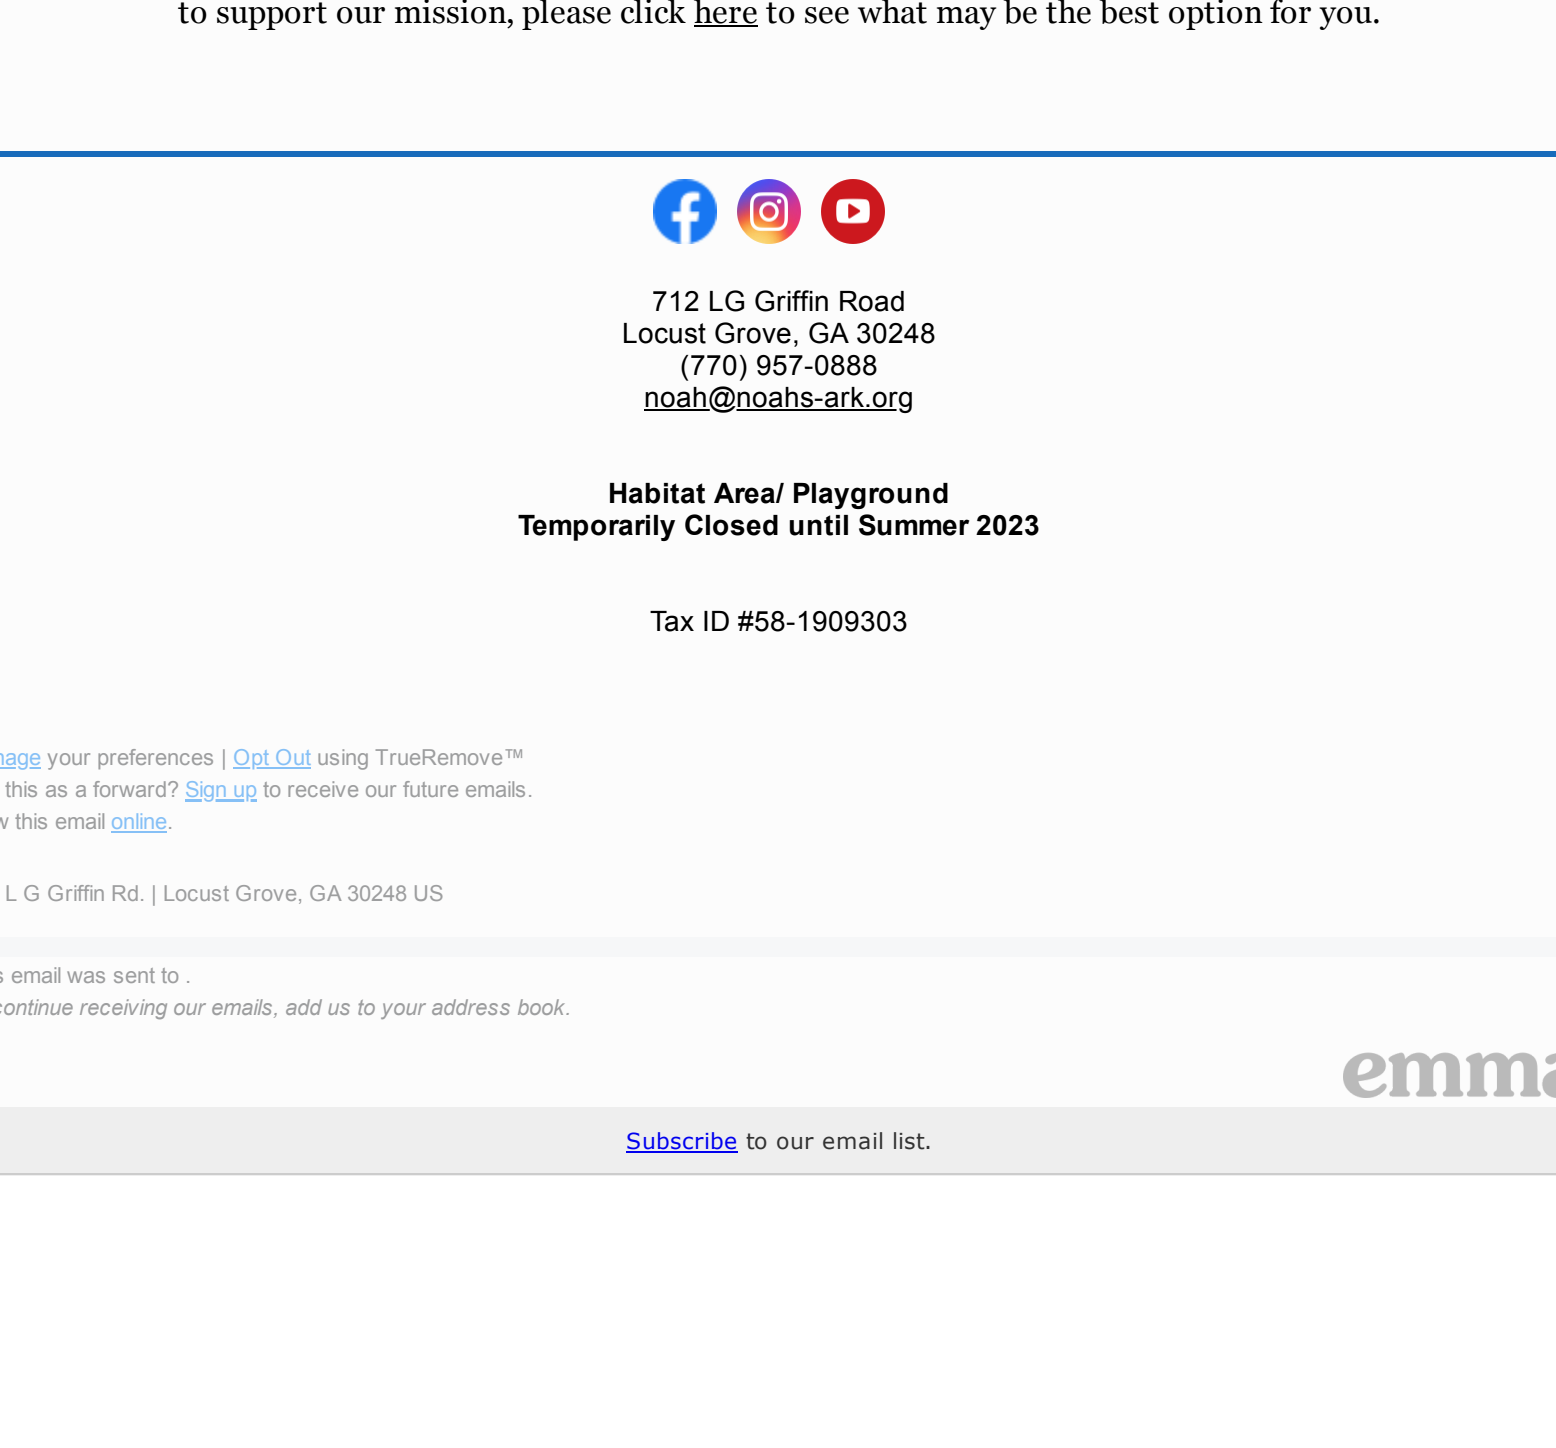

Once again, we extend our sincerest gratitude to each and every one of you who opened your hearts and wallets to support Sheila's well-being. Your

compassion and generosity have made a profound impact, bringing comfort and hope to our resilient tiger. Together, we are making a difference in the lives of these incredible creatures, reminding the world of the power of compassion and unity.
