

# NOAH'S ARK

The title 'NOAH'S ARK' is rendered in a large, green, serif font. The letter 'O' in 'NOAH'S' contains a brown silhouette of a bear. The letter 'A' in 'ARK' contains a brown silhouette of a monkey. Above the letter 'S' is a brown silhouette of a bird in flight. The entire title is set against a background of a large, brown, curved shape that resembles a wide smile or a stylized arch.

*Merry Christmas*

May the coming year be filled with new opportunities, new adventures, and new beginnings. Wishing you joy, success, and a blessed Christmas.

Wishing you joy, success, and a blessed Christmas.

## Reflecting on Blessings and Building Momentum at Noah's Ark

To Our Cherished Community,

In these moments of reflection, we are grateful for the many blessings we have experienced throughout 2023. It's been a journey marked by resilience, community, and the unwavering support of individuals like you.

Our sanctuary, nestled in the heart of challenges brought about by a tornado, record-breaking freezing temperatures, and flooding earlier this year, has begun its slow but steady recovery. The initial days were filled with a mix of emotions as we navigated the aftermath, yet the outpouring of love from our dedicated staff, volunteers, and supporters like you was a beacon of hope.

As the tides of recovery turned, we witnessed remarkable transformations.

Habitats and structures, once weather-worn, have been (and continue to be) revitalized, providing our cherished animal residents with renewed spaces to thrive. Bridges are being rebuilt— both literally and figuratively. And the reopening of our

gates to schoolchildren has brought laughter and curiosity back to our grounds, reminding us of the joy that education and exploration can bring.

---

Support beams on the famous BLT Clubhouse have been replaced after years of being used as scratching posts by our beloved Baloo.

With the completion of many repairs, we were able to slowly re-open to the public. We just love hearing laughter of children on the grounds again.

---

Our primate habitats are getting revitalized with new platforms, climbing ropes, and lots of new enrichment items.

---

A realistic stone cave now covers an old concrete drain pipe that was used as a den for Baby Bob, our resident bobcat. The new structure is beautiful and functional— providing more sunning spots and enrichment opportunities.

---

We are so grateful for the dedication and passion of Dr. Brown and her talented team.

---

In building momentum, we've also expanded our circle of community partners and added an all-star medical team to our family. Together, we're creating a more robust support network, reinforcing the foundation of care for our animal family. The challenges of the past few years, from the pandemic's shutdown to the bird flu outbreak and natural disasters, are gradually giving way to new beginnings.

In the spirit of gratitude, we're thrilled to share a special blessing – the addition of a new UTV vehicle to our sanctuary. This vehicle, generously donated by a husband and wife in New York, will replace our much-loved golf cart, serving as a vital tool for feeding and ground maintenance.

What an incredible gift to lift our spirits and remind us of the true spirit of generosity and the magic of the holidays!

Newly donated UTV that will be an indispensable resource for our staff and volunteers. We have needed one for a VERY long time and are so grateful for such a generous gift.

---

As we celebrate this Christmas season, we're filled with optimism and anticipation as we look toward a right future.

However, our journey is not without its challenges, and it is your continued support that will propel us forward. Thank you to everyone who supported our

Giving Tuesday campaign. Your support gave us the push we needed, but we still have more to go to reach our goal of \$20,000 for our end-of-the-year goal.

Please consider helping build our momentum as we move forward. Your contributions have a profound impact on the well-being of our animal family and the success of our sanctuary's mission.

May the love and generosity you've shown us return to you a hundredfold.

We look forward to sharing more of our journey with you in the coming year, as we persist in creating a haven of hope and happiness for all.

With heartfelt gratitude,

The Noah's Ark Family
