

NOAH'S ARK

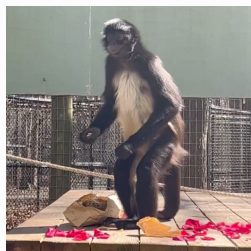

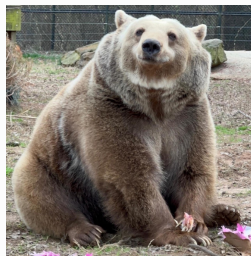

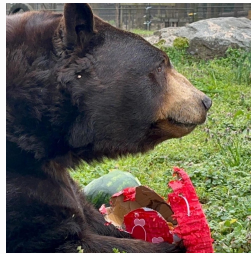

So Much Love (And Fun) In The Air!

With Valentine's Day still lingering in the air, we want to extend our heartfelt gratitude to each and every one of you who continually show love to the animals and to our sanctuary. Whether it's through volunteering your time, making donations, or simply spreading awareness about our mission, your acts of kindness make a world of difference.

All of our animal friends received special Valentine's Day enrichment treats. The capuchins and Alvin our resident heartthrob Baboon, gleefully ripped into their treat bags with deft clever hands devouring their seeds, tangerines, apple slices and peanut butter. Baloo and his bear-buddies enjoyed pinatas filled with savory pineapple, oranges, and hazelnuts. Our Tigers tore into their valentine meat boxes with reckless abandon.

It was wonderful to see all that love in the air with happy animals one and all.

Birthday Corner

We had so much fun celebrating a double birthday—**Anna Lou's** and **Angus's** big debut into double digits!

Both came to Noah's Ark as young cubs and have flourished in their own unique ways. Angus is our laid-back, go-with-the-flow guy and Anna Lou lives life on the complete opposite side of the spectrum— finding every opportunity possible to embrace her adventurous side.

Up until 2023, Angus and Anna Lou were housed together. However, Anna Lou's energy and alpha attitude become too much for the chill black bear and we decided to house them in individual habitats. Both are thriving and enjoying their personal space. Be sure to come visit them this Spring!

Anna Lou thinks Ball Is Life! We are always so grateful for a new enrichment ball. This was gifted a few years ago, courtesy of an amazing [wishlist](#) donor.

We keep saying it's the last picture, but then she does this.

Meanwhile, our more reserved Angus is loving his quiet and intimate celebration from his den area.

We try to make every birthday a little extra special for each of our residents. Supporting Noah's Ark allows our staff to provide the daily care our residents need, with some extra flair for those special days.

Let's Get Ready For Spring!

Mower Plea

With spring on the horizon, we're gearing up for a season of renewal and growth. To ensure that our sanctuary remains a safe and comfortable haven for all our animal residents, we're launching a spring cleaning initiative.

From tidying up enclosures to replenishing supplies, there's plenty to be done to prepare for the warmer months ahead.

One of our pressing needs is the acquisition of a new commercial lawn mower. In the past, we hired out most of our landscaping needs, but are looking to bring costs down and do more of the work in house.

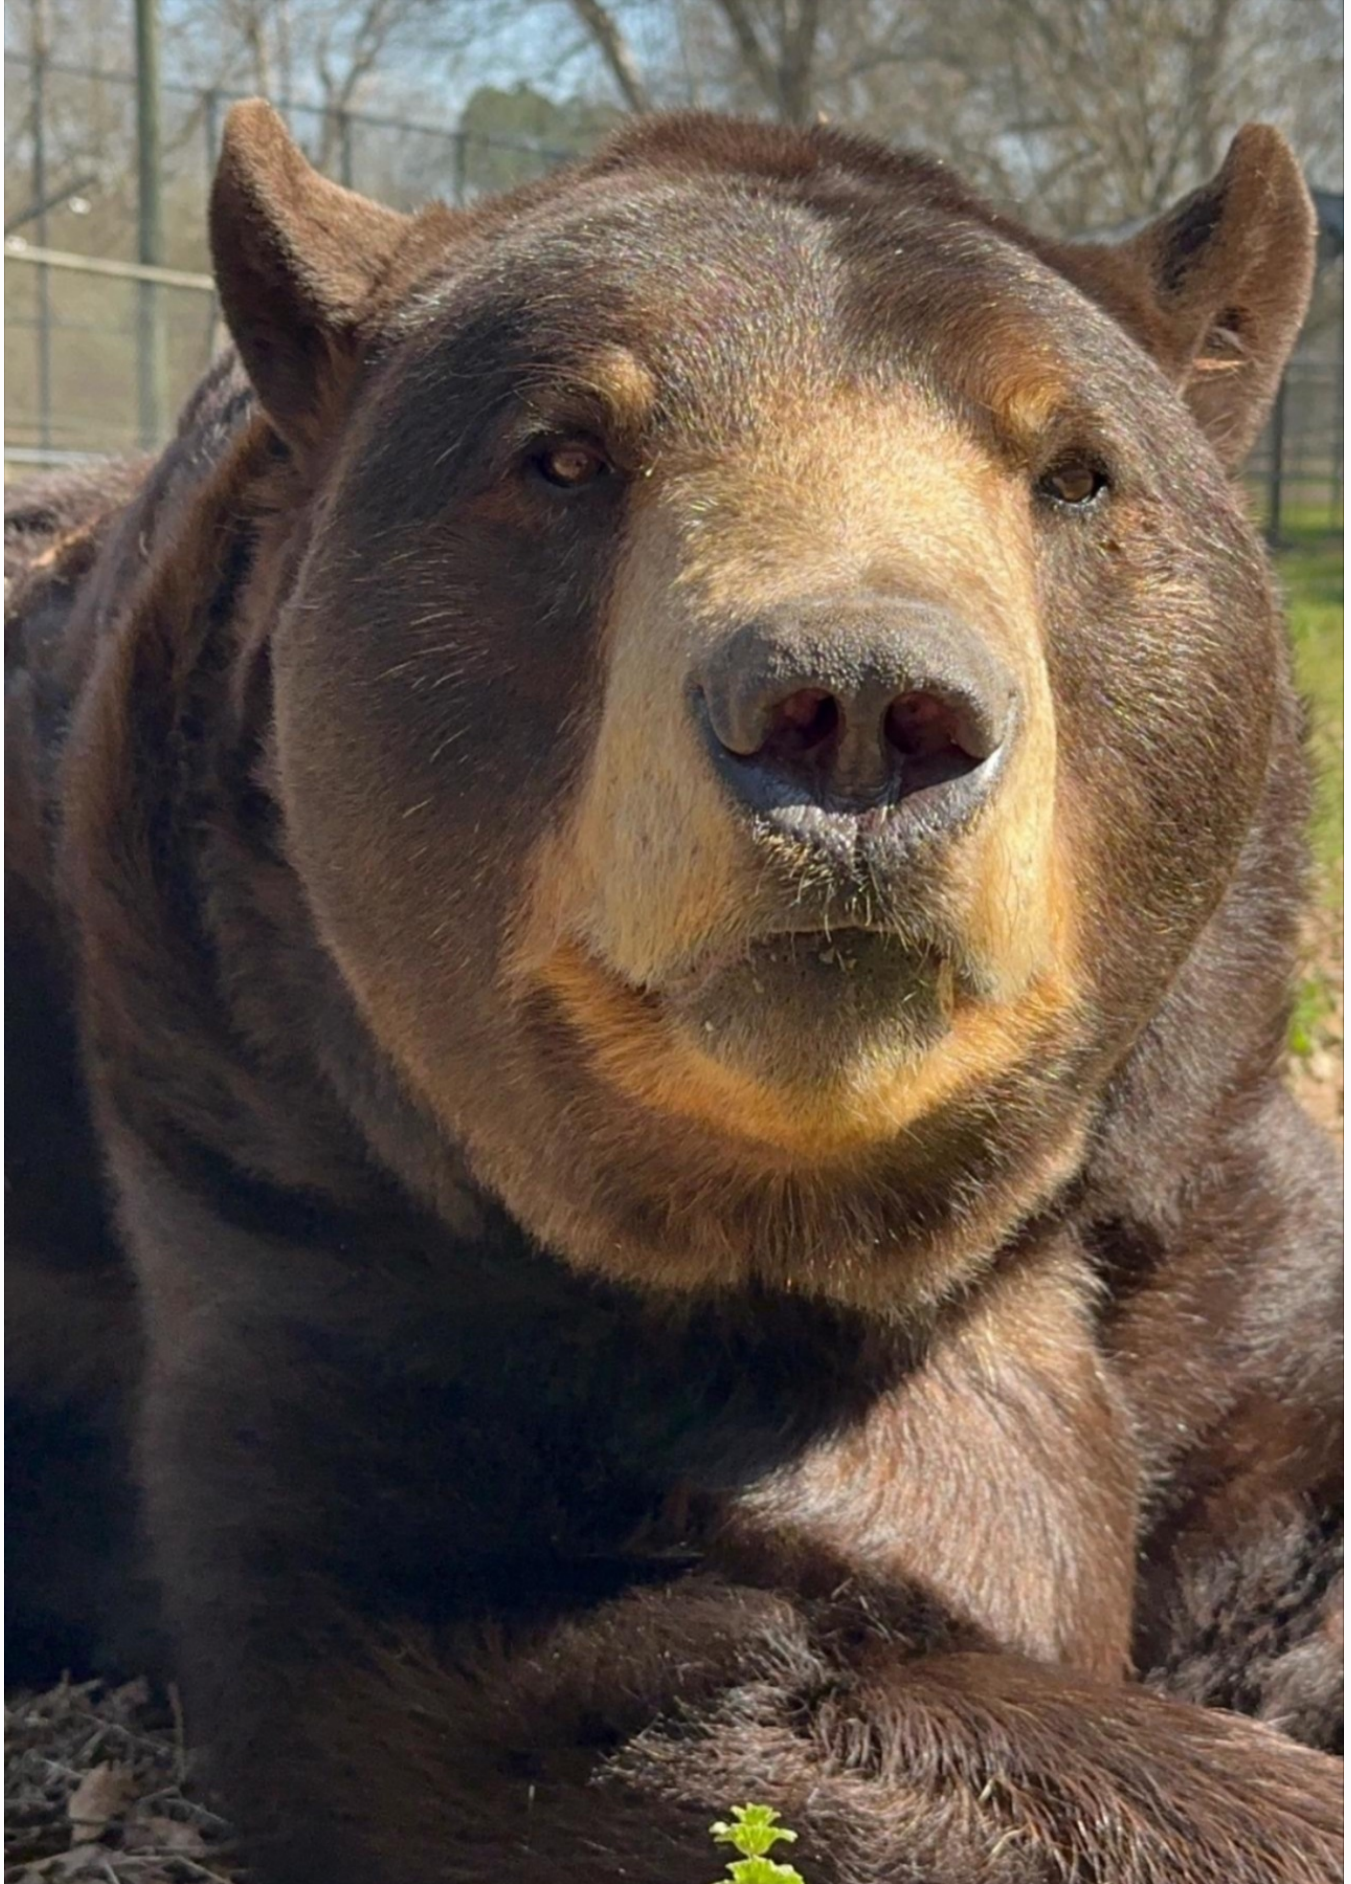

Our current residential-grade equipment has served us well over the years, but an upgrade is needed to tackle over 6+ acres of rough mowing (plus parts of the pasture when we need additional parking).

Please reach out to our front office for more information regarding donations to help with our much needed Spring Cleaning efforts.

Save The Date!

We are thrilled to announce that after over a year of anticipation, Noah's Ark is officially reopening its gates to the public this **Saturday, March 1st!** It

brings us immense joy to welcome back our beloved visitors, volunteers, and supporters to our sanctuary.

The past year has been one of immense challenge and transformation for us all. During our closure, we didn't simply sit idle. We have been busy! We used this time to focus on improving and enhancing our sanctuary in every way possible. From renovating enclosures to expanding educational field trip offerings, we've been hard at work to make Noah's Ark an even better home for our animal residents and a more enriching experience for our visitors.

We invite you to join us in celebrating this joyful milestone! Whether you're a longtime supporter or a first-time visitor, there's something for everyone to enjoy at the Ark.

Come reconnect with our animal residents, take a leisurely stroll through our picturesque grounds, or simply bask in the tranquility of nature.

We can't wait to welcome you back to Noah's Ark Animal Sanctuary!
