A Beary Special Valentine's Day Grrreeting!

Dear Friends of Noah's Ark,

Roar-some greetings from your furry friend Baloo! As the resident bear with the biggest heart at Noah's Ark, I couldn't let this special day pass without sending you all a beary special Valentine's message.

In the spirit of love and friendship, I want to paw-sitively express my gratitude to each and every one of you.

Your support, care, and warm vibes make Noah's Ark the best sanctuary a bear like me could ever dream of. I feel the love in the air, and it's as sweet as honey!

This Valentine's Day, let's celebrate the bond we share – the bond that transcends species and brings us closer together. Whether you're a two-legged or four-legged friend, your presence fills my days with joy and happiness. Together, we create a sanctuary filled with warmth, understanding, and endless cuddles.

To the amazing caregivers, volunteers, and fellow animal residents, you make every day a bear-y special adventure. Your kindness and dedication create a home where love knows no bounds. I might not have chocolates or flowers to share, but I've got a big bear hug reserved just for you!

So, here's to you – the heart and soul of Noah's Ark!

May your Valentine's Day be filled with joy, laughter, and the warm fuzzies that come from knowing you're making a difference in the lives of us furry inhabitants.

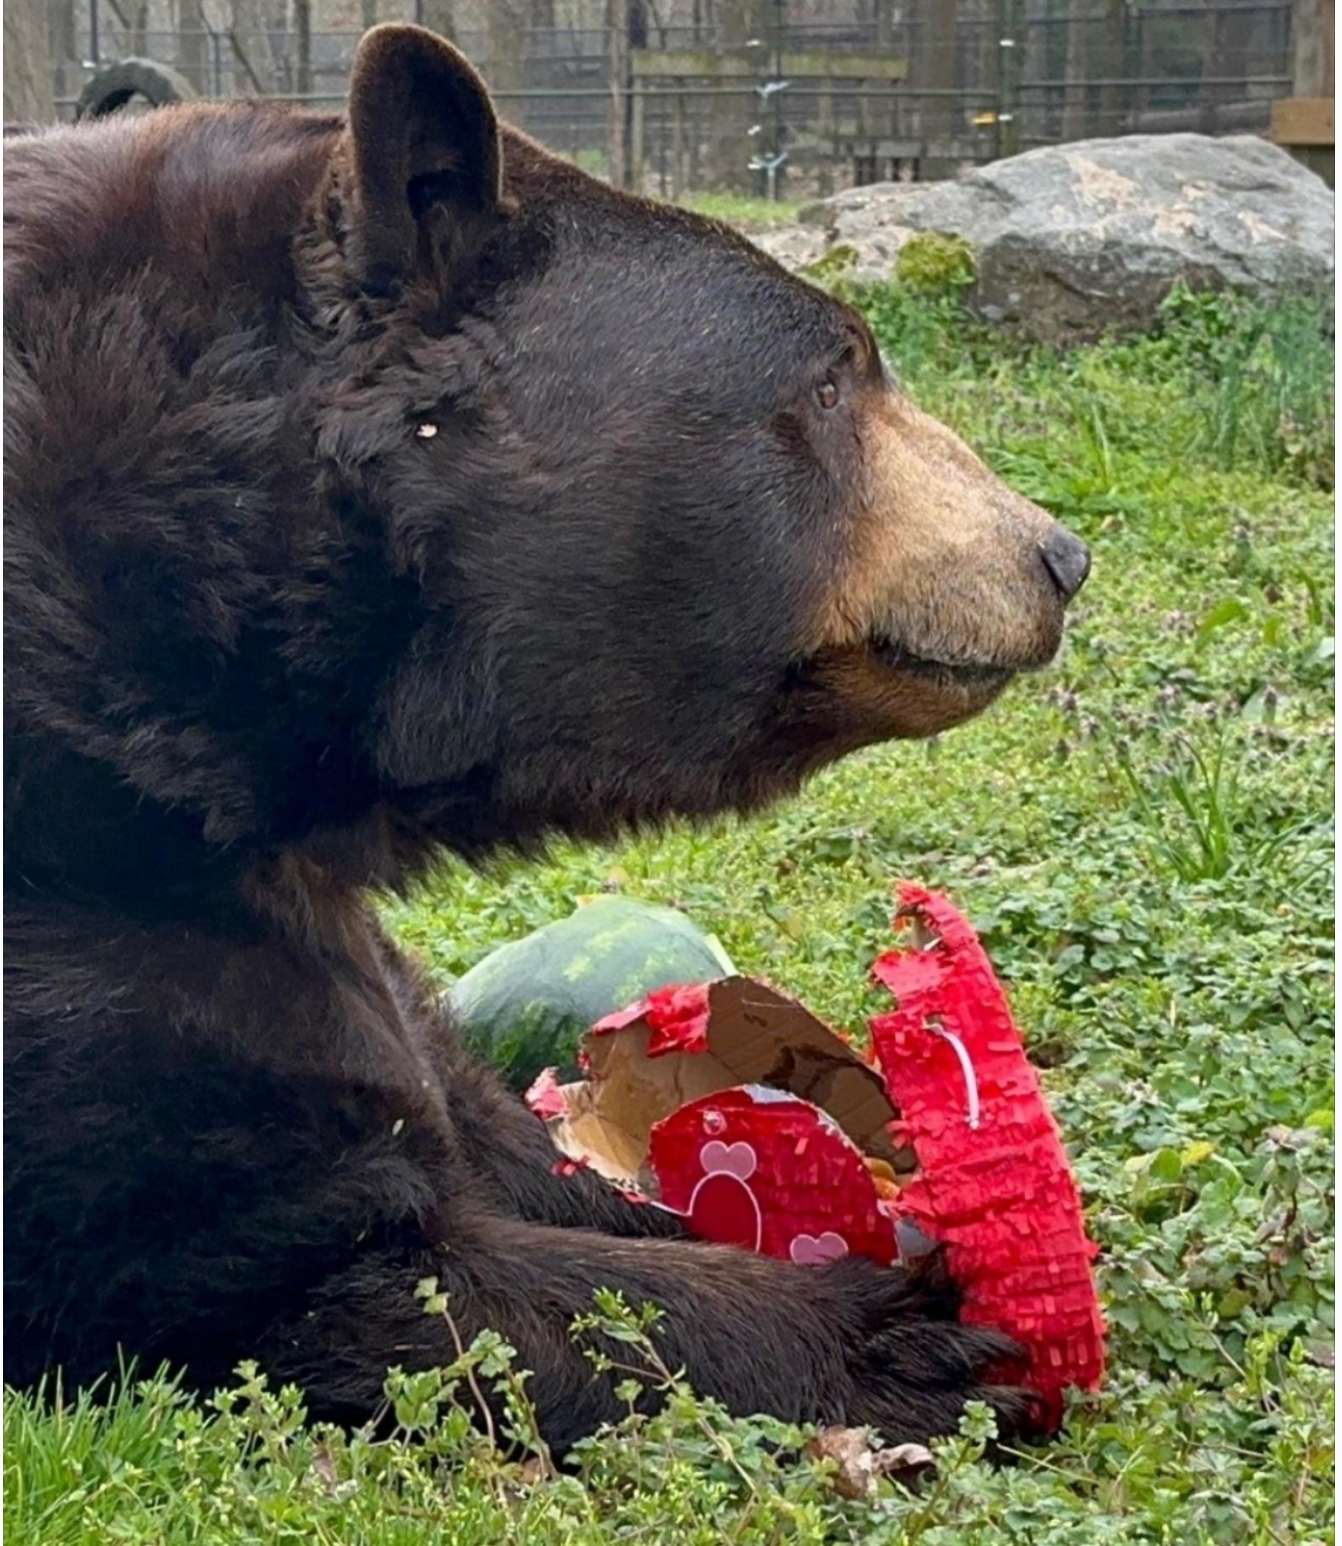

Sending you beary big hugs and loads of love,

Baloo ♥

He was excited about his loved-filled watermelon, but couldn't wait to rip open his piñata— courtesy of an amazing [wishlist](#) donor.

Many other residents joined in on the fun! Anna Lou felt the love with a treat-filled piñata of her own.

We were all relieved when Doc accepted our 'meaty' Valentine's Day proposal.
