## Roaring into a New Year with Hope and Gratitude

Dear friends: As we stand at the threshold of a new year, it fills our hearts with immense joy and gratitude to reach out to each and every one of you who has been an unwavering pillar of support for Noah's Ark. It is hard to believe that one year ago this month we suffered the devastating aftermath of a tornado and flood. But thanks to you...We have come a long way!

Liberty, our lioness, has roared triumphantly, embodying strength and courage in the face of challenges. Our Bengal tigers, Doc and his gang, have prowled gracefully, showcasing the beauty of the wild spirit within them. Baloo and the bears have played and explored, embodying the playful essence that your support has allowed them to rediscover. Tortoises have continued their slow and steady journey, reminding us of the importance of patience and perseverance. And our primates have swung through their renovated habitats, expressing the joy and freedom that your compassion has granted them.

***Looking ahead, we are filled with hope and determination to make the upcoming year even more impactful for our animal residents.*** Your continued support will enable us to enhance their habitats, provide top-notch veterinary care, and implement education initiatives for school groups across the state and beyond.

Each roar, each chuff, and each playful gesture from our animal residents has been a testament to the impact of your generosity. May the coming year be filled with compassion, joy, and transformative moments for both you and our cherished animal residents.

**Wishing you a roaring and joyous New Year!**
