Happy Birthday, Shawn Shawn

Celebrating A True One-Of-A-Kind

Happy 49th Birthday to Shawn Shawn!

Today, we're celebrating a truly unique member of the Noah's Ark family—Shawn Shawn, the world's first hybrid ape, a remarkable blend of white-handed gibbon and siamang. Born in 1975 after a chance mating of two species of ape at an Atlanta zoo, she came to us in 1995 after being surrendered by a research facility.

Despite being an "older lady," Shawn Shawn is as spirited as ever. She's known for her outgoing personality, graceful gymnastics, smart antics, and vocal triumphs, especially when she playfully interacts with our staff. She lives happily with two spider monkeys, who help groom her, adding to her joy.

Shawn Shawn's favorite snack? A head of leafy lettuce with healthy cereal tucked between the leaves—a true gourmand at heart!

Join us in wishing Shawn Shawn a fantastic birthday. Her longevity and zest surpass the typical life expectancy of her species, reminding us all about the joy and resilience that define her. Here's to many more years of fun and feistiness!

What's New At Noah's Ark

Celebrating 18 years at Noah's Ark

We are incredibly fortunate to celebrate the remarkable Mrs. Judy, who has diligently served as our Business Manager for 18 years. Always pleasant and wonderfully efficient, Mrs. Judy makes every interaction a joy. Her work is vital to our operations, ensuring that we continue to

provide a safe haven for our animals and a welcoming place for our community. We appreciate her unwavering commitment and the positive spirit she brings to Noah's Ark every single day. Jazzy, her trusted Bearded Dragon is always at her side to help! Thank you Mrs. Judy for being such an amazing part of our team each and every day.

Our Grand Re-Opening

Anna Lou sends a beary-BIG thank you to our wonderful staff, volunteers, and vendors who played a crucial role in welcoming over 500 guests to our May 4th grand re-opening. Your hard work and dedication made the event a tremendous success. And to our guests, your presence and enthusiasm made the day truly memorable, and we are grateful. Thank you for joining us and making it such a successful occasion!

A 'New' Golf Cart

We are incredibly grateful to Jake Hardin and [Jenco Golf Carts](#) for their generous donation of a much-needed golf cart that they repaired and donated. This vehicle will greatly enhance our day-to-day operations at Noah's Ark, allowing us to continue providing the best care for our residents. Thank you for your support and for being a valuable part of our community!

Tree Clean-Up

Thank you to everyone that supported our Winter Cleanup Campaign. It took a little longer than we had expected, but we were able to remove a number of dead trees in our habitat area. We love having so many trees where our residents reside, but ensuring they don't pose any danger requires ongoing maintenance— especially after a stormy season. Thank you, again, to everyone that pitched in to help.
