

NOAH'S ARK NEWS:

SPRING SURPRISES & SPECIAL ANNOUNCEMENTS AT NOAH'S ARK!

Where second chances and new beginnings are made.

Spring is in full swing, and with it comes some very exciting news. . . like introducing our newest residents—**Black-Backed Jackals!**

But jackals are just the beginning. . .

We're also **expanding our hours**, gearing up for our annual **Spring Fling**, keeping it slow and steady with **Tortoise Bluff progress**, and making sure our new foxes have everything they need as they continue to settle in!!

None of this would be possible without **your** support. Every visit, donation, and kind word helps us continue providing second chances for animals in need. Read on to find out how you can be part of all the exciting things happening this season!

Meet Our Newest Residents – Black-Backed Jackals!

Our vocal male

Our sweet, shy female

We are beyond excited to introduce our **black-backed jackals**, a rare and exciting addition to Noah's Ark! They came from the same organization that brought us our precious foxes— and we couldn't be more grateful!

These coyote-looking canids are the only ones (that we know of) visible to the public east of the Mississippi, and we're honored to provide them with a safe and loving home.

They're still getting acclimated and have been staying slightly hidden, but we can't wait for you to see more of them! Don't live nearby? Don't worry, just head to our social media page on your favorite platform and you will find lots of pictures (don't forget to offer name suggestions while you are there).

An **upgraded enclosure**, similar to our fox habitat, with lots of naturalistic hides and enrichment to make them feel right at home is in the works— so check back often.

We hope you love our newest additions as much as we do.

[New Extended Hours](#)

Starting this month, we're expanding our hours! Noah's Ark is now open **Tuesday-Sunday from 10 AM - 3:30 PM**, with the last ticket sold at 3 PM. We've listened to your requests and are thrilled to offer more opportunities for you to visit and support our rescued residents.

[Tortoise Bluff is Rockin'](#)

We're making great strides in completing **Tortoise Bluff**!

The habitat is coming together as we position rocks, set up their wintering barn, and shape their new space. We can't wait to see our tortoises enjoy their expansive, enriched environment.

As for our fox friends, they are settling in well and getting comfortable in their surroundings. They've been showing more of their personalities, and we're so excited for you to get to know them better in the coming weeks!

Thank you for being a part of the Noah's Ark family. Your support means the world to us and to the incredible animals we care for.

We are so close to completing our much-needed renovations, but we still need additional funding to stay on track and have everything finished by **Spring Fling**—where you'll get to see the incredible progress firsthand!

Big things happen for our residents when we come together.

Again, every donation, visit, and share helps us create a better home for these animals, and we couldn't do it without you. If you'd like to contribute to making these dreams a reality, please consider making a gift today.

Stay connected with us on social media for more updates, and we can't wait to see you soon!

EVENTS

Spring Fling- Save The Date

Mark your calendars for **April 26th** and join us for our annual **Spring Fling!** This exciting event will be packed with fun activities, up-close animal encounters, and special surprises for all ages. Stay tuned for more details—we can't wait to celebrate with you!

[Noah's Ark](#) is a 501(c)(3) non-profit Animal Sanctuary dedicated to bringing children and animals together with the purpose of providing unconditional love, unconditional service, and a future full of hope. Noah's Ark has hundreds of animals with different species. We rely on donations to help feed, treat and care for the animals. Supporters are asked to donate through annual, major, or planned gifts.

Noah's Ark is a 121-acre sanctuary for abused, unwanted, and neglected animals. A beautiful "park-like" setting with paved pathways to bring your family and enjoy an afternoon out. We have a beautiful picnic area and playground. Wear your walking shoes, pack a lunch, and come spend the day with us!

We do accept and appreciate donations to help feed and care for the animals.
