

“Alone we can do so little; together we can do so much.”

– Helen Keller

Dear Friends,

April reminded us of something powerful:

When compassionate people come together, transformation is possible.

This past month brought both progress and heartbreak—but what never wavered was *you*. Your love, time, and generosity are the reason we're able to continue showing up for the animals who call Noah's Ark home.

Moments of Progress

Because of the support of our volunteers and partners, the sanctuary saw meaningful updates:

- Picnic benches, gazebos, and fences were painted and refreshed.
- Animal enclosures were repaired and enriched.
- Storm debris was cleared, trails were cleaned, and our spaces made safer and more welcoming.

Families came together at our Spring Fling to celebrate the animals and reconnect with our mission.

We extended visiting hours, offering more people a chance to enjoy the peace and purpose of the Ark.

Moments of Hardship

Unfortunately, April also brought real challenges:

- Vandals damaged our front gates, compromising the safety of our grounds.
- Our ATV—essential for daily animal care—was stolen.

These events stretched our already limited resources. And they underscored something urgent: **our grounds, enclosures, and equipment need your help.**

A Call for Compassion in Action

We're committed to restoring and updating the sanctuary—not just for today's residents, but for every animal who will find healing here in the future. But we cannot do this alone.

Will you help us rebuild and renew Noah's Ark?

Your donation today will go directly toward:

- Repairing and upgrading animal enclosures
- Replacing vital equipment lost to theft
- Improving the safety, beauty, and function of the sanctuary grounds

Together, we can continue this work—not just as an act of care, but as a promise:

that every animal here will always have a place that's safe, dignified, and full of love.

Thank you for standing with us—through every triumph, every challenge, and every moment of hope.

With deep gratitude,

The Noah's Ark Animal Sanctuary Team

Support Noah's Ark

Volunteers Make A Difference!

This month, Noah's Ark was honored to welcome an extraordinary group of volunteers whose generosity and hard work made a powerful difference.

GUCC Volunteer Day brought together teams from across Georgia who rolled up their sleeves and got to work — painting picnic benches, gazebos, barnyard areas, and privacy fences, clearing storm debris, repairing animal enclosures, and building enrichment items for our residents. The transformation was truly incredible, and we can't wait for you to see the results in person!

Special thanks to the amazing crews from:

AT&T, Georgia Power, Atlanta Gas Light, Ansco & Associates, Walton EMC, Georgia 811, Blount Construction, Clayton County Water Authority, and GDOT.

We are also deeply grateful to **Sherwin-Williams of Loganville, GA; Cable East; Ansco & Associates; SAMS;** and other GUCC members for their generous contributions and assistance with paint and supplies.

The work didn't stop there!

Thank you to the **GEOGIS team from McDonough**, who continued the momentum by finishing up some projects and spreading mulch near the Welcome Center.

And to **Clayton State College**, whose volunteers trimmed, pruned, and cleared brush behind our small bird aviaries.

To each and every one of you who gave your time, energy, and resources: *Thank you.* Your impact will be felt by our animals—and our visitors—for months to come.

Interested in volunteering scheduling a work party? We would love to have you. Learn more [here](#).

Have you heard? We've expanded our hours!

Noah's Ark is now open **Tuesday-Sunday from 10 AM - 3:30 PM**, with the last ticket sold at 3 PM.

We've listened to your requests and are thrilled to offer more opportunities for you to visit and support our rescued residents.

[Noah's Ark](http://www.noahs-ark.org) is a 501(c)(3) non-profit Animal Sanctuary dedicated to bringing children and animals together with the purpose of providing unconditional love, unconditional service, and a future full of hope. Noah's Ark has hundreds of animals with different species. We rely on donations to help feed, treat and care for the animals. Supporters are asked to donate through annual, major, or planned gifts.

Noah's Ark is a 121-acre sanctuary for abused, unwanted, and neglected animals. A beautiful "park-like" setting with paved pathways to bring your family and enjoy an afternoon out. We have a beautiful picnic area and playground. Wear your walking shoes, pack a lunch, and come spend the day with us!

We do accept and appreciate donations to help feed and care for the animals.
